**Making made easy.**

# Helpful Tips

---

## General Tips:

- For best results, pull tape slowly.
- Store in a cool, dry place.
- Take strips of magnet tape and place on cardstock, then add your thin craft dies on top to easily store.
- The free-standing design sits perfectly on a shelf or desk.
- Use a variety of materials: paper, cardstock, vellum, fabric, ribbon, twill, craft foam, felt, thin wood, photos, cork, paper flowers, and newspaper.
- This is a nonrefillable magnetic tape dispenser.

## Fabric Tips:

- Wash sizing from fabric.
